The four theme answers as clued would normally be IRISH CAR BOMB, VAN HALEN, SEPTIC TANK, and JET STREAMS. But in each instance, the vehicles have been replaced with robots from bygone TV shows (BENDER from “Futurama,” ROSIE from “The Jetsons,” DATA from “Star Trek: The Next Generation,” and TOM SERVO from “Mystery Science Theater 3000″). The classic bygone TV show featuring vehicles changing into robots (and since made into several big-screen movies) is “**TRANSFORMERS**,” which is the answer to the meta.
